

CF Corporation to Acquire Fidelity & Guaranty Life in Transformative All-Cash Transaction Valued at \$1.835 Billion

LAS VEGAS and DES MOINES, Iowa – May 24, 2017 – CF Corporation (NASDAQ: CFCO) (“CF Corp.”), and Fidelity & Guaranty Life (NYSE: FGL) (“FGL”), a leading provider of fixed indexed annuities and life insurance in the U.S., today announced that their boards of directors have each unanimously approved a definitive merger agreement under which CF Corp. will acquire FGL for \$31.10 per share in cash, or a total of approximately \$1.835 billion, plus the assumption of \$405 million of existing debt. The purchase consideration implies a value of 1.1x adjusted book value¹ as of March 31, 2017. The investor group, which includes the founders of CF Corp., Chinh E. Chu, and William P. Foley, II, funds affiliated with Blackstone (NYSE: BX), and Fidelity National Financial (NYSE: FNF) (“FNF”), will invest approximately \$900 million in common and preferred equity to fund the transaction.

FGL is a leading provider of fixed indexed annuities and life insurance products, with approximately \$28 billion of GAAP Total Assets and approximately \$1.6 billion of adjusted book value¹. FGL has grown sales by approximately 10% annually from 2012 to 2016, supported by its long-standing relationships with distribution partners, changing U.S. retirement demographics, and an attractive product value proposition to policyholders.

Following the close of the transaction, FGL will continue to be led by its current management team under Chris Littlefield as President and CEO. FGL will remain headquartered in Des Moines, Iowa, and will continue operations from Baltimore, Maryland, and Lincoln, Nebraska. Messrs. Chu and Foley will serve as Executive Chairmen of the Board, which will be composed of a majority of independent directors.

Mr. Foley said, “This is an exciting transaction that we expect will enable us to generate attractive returns for our shareholders by accelerating FGL’s growth and profitability through efficient structuring and improved investment management capabilities. I look forward to working closely with Chris and the entire management team to help advance FGL’s strategy while continuing to provide industry-leading retirement savings products to policyholders.”

Mr. Chu noted, “FGL is a very high-quality business with attractive demographic tailwinds. We look forward to working with management to continue to build a premier insurance platform and accelerate value creation for shareholders. CF Corp. is an ideal platform for FGL given our permanent capital and blue chip long-term investor base. This transaction is transformative and the combination of CF Corp., Blackstone and FNF will add tremendous value to FGL.”

Mr. Littlefield added, “This agreement with CF Corp. is a terrific conclusion to our strategic review process. This transaction delivers compelling value to our existing shareholders and ideally positions FGL for our next phase of growth. We believe the expertise and insights that our leading investors will bring as new shareholders of FGL will greatly benefit the company, our policy owners, distribution partners, agents and employees. We see a very bright future for FGL.”
