We're excited to announce that our go live date for the launch of our life e-App is just around the corner! The intent of the life e-App is to create a more efficient experience for you and your clients—it will be simple, easy and paperless.

### What Exactly Does this Mean for You?

With the new life e-App:

- It's easier than ever to do business with FGL
- Customer experience is enhanced
- e-App platform will guide you through requirements on the application, increasing the likelihood that your application will be received in good order
- Supplemental forms or questions will be automatically generated during the e-App process to help reduce the need for additional follow-up
- Signed illustrations and other necessary documents can be uploaded with the app
- Completed application and attachments will be transmitted to FGL—no need to fax or mail the application
