

Coming Soon - An Uncapped Strategy with a Spread

A photograph of a man and a woman in a forest. The woman is holding binoculars and looking through them, while the man stands next to her, also looking in the same direction. They are both dressed in light-colored clothing. The background is a lush green forest with large trees.

COMING SOON!

FGL Announces An Uncapped Index Crediting Strategy with a Spread - on Select FGL FIAs*!

Fidelity & Guaranty Life will be offering a new uncapped index crediting strategy, with a spread, on FG AccumulatorPlus® 10 & 14 and Performance Pro® fixed indexed annuities.

What is the New Index?

The new index is based on the principle of “Don’t Put All Your Eggs in One Basket” and has the potential to maximize performance and provide steady growth over the long term with no cap and a spread. The index provides diversification with a mechanism to manage volatility in the market. Stay tuned for more details!
